

INDIAN TECHNICAL EDUCATION SOCIETY

ONLINE EXAM SCHEDULE FOR FEB. -2026 SESSION

SEASONAL GREETINGS TO ALL.

Dt. 26/11/2025

To the attention of all the Directors/Principals of Affiliated Institutes

- While inviting your kind attention with respect to the said subject, we would like to inform you I.T.E.S decided to conduct the exams "**ONLINE/App**" mode for convenience of the institutes and students. For your kind information, I.T.E.S. will conduct the online examination for Theory, while the Practical examinations for this session will be conducted at the Institute level under the guidance of I.T.E.S.
- Even though the examination will be conducted in online/App mode, all students must be physically present at their respective institutes. No student will be permitted to appear for the examination from outside the institute premises.
- The Institute authorities(Supervisor/Principal/HoD/Administrator) are required to record 30-second video clips and take still photographs during the examination — at the beginning, after half an hour, and at the end of both the Theory and Practical examinations. These recordings and photographs must be submitted to the I.T.E.S. Office for verification on Mobile 8898013256/58 or on ITES E-mail.
- You are requested to send the details of all students appearing for the said session — including Full Name (as to appear on the Aadhar Card), Mobile Number (for receiving the SMS with the joining link sent by I.T.E.S.), Email ID, and other requisite information — in the prescribed Excel Sheet format prepared by ITES Only. This information must be emailed to ites_exam@yahoo.com, along with the total examination fees.
- For Theory Examinations, I.T.E.S. will send the Question Paper Link via SMS to both the Head of the Institute and the registered mobile numbers of students. Each Theory Examination will carry 100 marks, consisting of 75 Multiple Choice Questions (MCQs), with duration of 60 minutes. All students are required to appear for the Mock Test, which will consist of General Knowledge-based questions and will be organized by I.T.E.S.
- For the Practical Examinations, institutes are permitted to conduct the exams either before or after the Theory Examinations, with prior permission from the I.T.E.S. Office.

- Students who have Drawing Papers in their respective subjects are required to solve them at their Institute or at the I.T.E.S.-allotted examination center. Each Drawing Paper will carry 100 marks and have a duration of 3 hours. Principals of the Institutes are requested to send all completed Drawing Papers to the I.T.E.S. Office immediately after the students' examination. Please note that no online paper will be conducted for the Drawing Examination.
- Please note that the center remuneration for conducting the Practical Examination will be Rs. 20/- per student, per practical, for the February 2026 Session. This remuneration is applicable only if the Practical Examination is conducted by the Institute itself for the Online Examination Session (February 2026).
- If any student is unable to appear for the examination due to a technical issue, the concerned authority in charge is required to inform the I.T.E.S. Office within one hour of the issue being reported, so that necessary action can be taken. Failure to report within the stipulated time will result in the student being marked as absent, and they will be required to appear for the examination in the next session after paying the full examination fees.
- Final theory Time Table will be sent to you before 15 days of exam.

The Institute whose Affiliation renewal fees is pending then that Institute have to pay 1.5 times of actual exam fees (scheduled of Exam Fees is attached with circular) in scheduled time else Examination such institute will not be conducted
